Brit. J. prev. soc. Med. (1968), **22**, 242–243

INDEX TO VOLUME XXII, 1968

Abnormalities, congenital, incidence of, in Liverpool, 36
ACHESON, E. D., and FORBES, J. A.: Experiment in the retrieval of information in general practice, 105
Adolescents, androgyny in, psychiatric illness and delinquency, 223
Africans in Uganda, birth weight, maternal age and parity in, 234
Age, middle, chronic disability in, 183
— of non-bronchitic men in steel works, 1
—, old, residential homes for care of persons in, 193
AHLUWALIA, H. S., and DOLL, R.: Mortality from cancer of the cervix uteri in British Columbia and other parts of Canada, 161
AHO, K., CANTELL, K., HJELT, L., and RANTASALO, I.: Possible association between maternal virus infections and stillbirths, 38
ALDERSON, M. R., and POWER, M. J.: Epidemiological study of boys repeatedly before the magistrates' courts, *116
Anaemia, iron deficiency, and menstrual iron loss, 127
— and pregnancy (panel discussion), *113
ANDERSON, J. A. D., and DRAPER, P. A.: Attachment of LHA staff to general practices, *115
Androgyny in adolescent psychiatric patients and in delinquents, 223
Anencephaly, incidence of, 146, 212
Angina, variability of, 12
Ante-natal care, maternal attitude to, and perinatal mortality, 138
ASHFORD, J. R.: *see* BRIMBLECOMBE, F. S. W., etc., 27
ASHLEY, D. J. B.: Perinatal mortality in Wales, 132

Baby: *see* Infant
BAIRD, P. A., and MILLER, J. R.: Some epidemiological aspects of Down's syndrome in British Columbia, 81
Behaviour in illness, 228
— pattern in pathogenesis of coronary heart disease, replicability of interview technique in assessment of, 16
BELL, R. A.: *see* MIALL, W. E., etc., 73
BENNETT, A. E., DEANE, M., ELLIOTT, A., and HOLLAND, W. W.: Care of old people in residential homes, 193
Birth weight, low, and perinatal mortality, 27
— —, smoking in pregnancy and, 118
— — in Uganda, 234
BLACKBURN, E. K.: *see* BRONKS, I. G., etc., 68
Blindness, registrable, postal detection of, 238
Blood abnormalities leading to haemophilia, 68
— pressure, maternal, smoking in pregnancy and, 119
— — and weight, 73
— studies in a random adult population in Wales, 41
BRIMBLECOMBE, F. S. W., ASHFORD, J. R., and FRYER, J. G.: Significance of low birth weight in perinatal mortality, 27
British Columbia, cervical cancer mortality in, 161
— —, congenital defects in, central registry and vital records as source of data for, 61, 81
— —, Down's syndrome in, 81
Bronchitis in steel workers, 1
BRONKS, I. G., and BLACKBURN, E. K.: A socio-medical study of haemophilia and related states, 68

CAIRD, F. I.: *see* MIDDLETON, G. D., etc., 100
CAMPBELL, A. C.: Attitudes of mentally disordered adults to community care, 94
—: Comparison of family and community contacts of mentally subnormal adults in hospital and local authority hostels, 165
CAMPBELL, H.: *see* LOWE, C. R., etc., 1
—, GREENE, W. J. W., KEYSER, J. W., WATERS, W. E., WEDDELL, J. M., and WITHEY, J. L.: Pilot survey of haemoglobin and plasma urea concentration in a random sample of adults in Wales, 1965–66, 41
Canada, mortality from cervical cancer in, 161
Cancer, cervical, mortality from, in Canada, 161
— of lung, routine radiography and prognosis of, 110
CANTELL, K.: *see* AHO, K., etc., 38
Cardiovascular disease (panel discussion), *117
CAREY, G. C. R., DAWSON, T. A. J., and MERRETT, J. D.: Addendum to Daily changes in ventilatory capacity in smokers and non-smokers, 59
CARTER, C. O.: *see* LAURENCE, K. M., etc., 146, 212
CARTWRIGHT, A., and WARD, A. W. M.: Variations in general practitioners' response to postal questionnaires, 199
Central nervous system, congenital defects of, incidence rates, 65
— — —, malformations reported from 16 centres, 1949–1968, 156
— — —, — in S. Wales, 146, 212
— — —, vascular lesions of, and peptic ulcer, 206
Children, hospitalization of, mothers' fear and, 228
Cleft lip and/or palate, incidence of, 63
COLLEY, J. R. T., and HOLLAND, W. W.: A family study of respiratory disease, *114
Computer in disease coding ("fruit-machine"), 178
Congenital defects in Liverpool, 36
— —, study of, by combined central registry and vital records, 61
Coronary-prone behaviour pattern, replicability of interview technique in assessment of, 16

DAVID, P. A.: *see* LAURENCE, K. M., etc., 146, 212
DAWSON, T. A. J.: *see* CAREY, G. C. R., etc., 59
DEANE, M.: *see* BENNETT, A. E., etc., 193
Delinquency and androgyny in adolescents, 223
Diabetes mellitus, influence of pregnancy on, 100
Diagnosis of illness, symptoms and personality in, 23
Disability, causes of, 89
—, chronic, and capacity for work, 86
—, —, in men of middle age, 183
Disease coding by computer ("fruit machine"), 178
Doctors, personal attributes of, extracted from interviews on subject of prescribing, 170
DOLL, R.: *see* AHLUWALIA, H. S., etc., 161
